

Art Supply List

Dear Parents,

I am trying something new this year. I would like for the students to have their own supply of basic art materials. These materials would be separate from the ones that your child's teacher may require for classroom purposes. The materials listed below would strictly be used and kept in the art room for class. This approach is designed to alleviate wait time for students, increase their productivity, and utilize time more effectively. It will also allow me the flexibility to introduce new art materials and lessons into the curriculum and broaden the student's creative horizons.

Basic Art Materials

Set of Crayola Markers – 8, 10, or 12 count – 1 set Broad Tip and 1 set Thin Tip

Crayola Colored Pencils – 8 or 10 count set

Crayola Crayons – 8, 10, or 12 count

Hand held pencil sharpener

A pack of #2 pencils, NOT MECHANICAL PENCILS

A large eraser

3pk of Elmer's Glue Sticks - .77oz (Large glue sticks)

One bottle of Elmer's Liquid Glue – 4 fl. oz.

Wire Bound Sketchbook – 9 x 12 (no smaller please)*

PLEASE LABEL ALL OF THEIR MATERIALS BEFORE THEY BRING THEM TO CLASS.

*If students have a sketchbook from this past school year, they may reuse it for Sept provided there is plenty of good paper left in the sketchbook.

Thank you for your cooperation. Have a safe and creative summer. I look forward to seeing your children in September.

Sincerely,

Mrs. Robinson – Art Teacher
